

Welcome to Pairings Bistro, a family-owned restaurant in the heart of Bel Air since 2009, where the pairing of food with complementary wines is at the heart of our existence. We are committed to using local ingredients and through our many farm partners we are able to create a seasonally inspired menu from the highest quality produce, meats, and dairy. We offer an extensive wine list, custom cocktails and craft beer, as well as superior service in a charming, cozy, rustic setting. We also host special events, parties and business dinners, each customized to meet your needs!

At Pairings Catering, we love to provide truly magical experiences for our guests! Let our catering professionals create the perfect event at your home, office, or party venue. Whether a large wedding or small intimate affair, we will customize a menu to delight your guests! We will thoughtfully pair wine, cocktails or beer with your menu and provide our signature superior service. Allow our chef to create a seasonally inspired menu that is perfectly tailored to your event.
